CHECK FOR KUJA DOSHA FROM LAGNA:

Kuja Dosha has been given great importance in Indian Astrology. As per Kerala Sastra, If Mars is in the 2nd, 4th, 7th, 8th or 12th house in the horoscope of the female, the death of husband will occur. Similar situation in the husband's horoscope causes the death of wife. However, there are many exceptions to this rule which are not taken into account while checking Kuja Dosha which is not correct. We take all this into account here.

It may also be noted that if both the bride and bridegroom have Kuja Dosha, the Dosham gets cancelled.

Mars is in the Ninth House. It is in the Kumbha Rasi.

There is no Kuja Dosha as Mars in in the Ninth House.

NATURAL BENEFIC AND MALEFIC PLANETS:

As per Brihat Parasara Hora Sastra: Sun, Saturn, Mars and Waning Moon are malefic planets while the rest are benefics. Mercury, however, is a malefic if he joins a malefic.

There are different opinions about Waning Moon. Some considers decreasing Moon as Waning Moon while others considers Waning Moon when it is within 90 degree of Sun. We have taken the second view. So,

from this method, we take Moon as benefic if its distance from Sun is more than 90 degree (or When Moon-Sun is between 90 degree and 270 degree or when tithi is between 7.5 and 22.5)

As far as Mercury is concerned, Brihat Parasar Hora Sastra clearly indicates that Mercury is malefic if it is associated with a malefic planet, otherwise it is Benefic Planet.
